HIDDEN VALLEY CAMP

A Summer Arts and Outdoors Community for Children Ages 8-14

Attention... Parents of 6- and 8-week Campers

We must know whether your child will be on camp-sponsored trips between sessions or if they will be with you. Please make a decision and inform the office as noted below. **Here's what we expect to do:**

Thursday's plan depends on the weather. Ideally, after Session 1 campers depart, we'll relax at the coast and then "dine" at Subway or by camp's pizza oven. Afterwards, we'll watch a DVD before an early bedtime.

On Friday we will sleep in and then head out to Adventure Bound (located in The Forks) to begin our white water rafting experience. We'll stop along the way for an outdoor lunch and then arrive at Adventure Bound's facility, use their game room, enjoy dinner, etc. and settle into platform tents for the evening.

Saturday, the group will raft the [Kennebec River](#) and return to HVC for dinner. Campers then join their Session 2 cabin counselors to help prepare for Sunday arrival.

HV staff accompany this multi-aged camper group during its time in and out of camp. Peter and Meg will check in with campers regularly as well.

Your choices...

TRIP: Have your camper with HVC the entire time. Cost: \$375.00

FAMILY: Pick up your camper Thursday AM between 8 and 10 and bring them back Saturday evening (only between 5 and 6 PM or on Sunday morning. Costs: \$0.00 + your out-of-camp fun!

HYBRID A - NO RAFTING: If your camper wants to skip the rafting trip... Pick up your camper at 9 AM on Friday AM and return them Sat or Sun as noted above. Cost: \$175.00

HYBRID B - RAFTING ONLY: If your camper wants to do only the rafting trip... Pick up your camper Thursday AM between 8 and 10 AM and return them Fri AM at 9.00. Cost: \$275.00

Parents visiting their children at Intersession...

There are no staff available to care for campers from 12 noon Thurs. 'till 5 PM Sat. (Time off and meetings are scheduled for all, including nurses, Kassens, etc.)

Please plan to pick up and drop off your child as noted below.

Hidden Valley groups have used Adventure Bound for over 20 years.

[Adventure Bound](#) is geared toward kids (no alcohol at their lodge, etc.) and boast a great facility and terrific trained guides.

We enjoyed this same trip with our children when they were elementary school age.

Once you know your camper's plans, please notify the office via your Online Camp Account (Go to "Forms and Documents.")

Please contact the camp office with your questions,
